

Dear Hanover Area Business:

The Hanover Harvest Festival Committee is happy to announce the eleventh year of the “Miss Hanover” Ambassador Program. On **Saturday, August 3, 2019**, a new Miss Hanover and Hanover Princess will be crowned. These young ladies will represent our community during the year at neighboring community festivals. An ambassador program promotes community spirit, involvement and pride. The Ambassadors will serve as public relations liaisons to the community of Hanover and greet and share information about our community with others they meet.

Please consider sponsoring one of our candidates. The sponsorship fee of \$150 will get your business name displayed on a candidate car in the parade, in the coronation program, and will be mentioned by the candidate at the coronation event. Your sponsorship also provides these young ladies the chance to grow in self-confidence, leadership, public speaking and community service opportunities. A scholarship sponsorship is also available. This scholarship will be given to the winner after their year of service as a token of appreciation for their time and generosity during the year of their reign.

If there is someone you know and would like to sponsor, please list her name, address and phone number below. I will contact the individual and request that they complete an application. Candidates must live in the Hanover area and be a senior in High School or have graduated and be between the ages of 18 and 24. Candidates that live in the greater Hanover area and actively participate in a Hanover organization are also eligible.

The sponsor deadline is July 1, 2019 . Area businesses that chose to sponsor a candidate in 2018 will have first priority to sponsor again this year. Please call me to discuss your interest in becoming a royalty sponsor or complete the attached form and send to me along with the sponsorship check. You can also visit our website at www.hanoverharvestfestival.com for more information.

Thank you for your consideration!
